Around the Table:

L. Hebert –

M. Rouleau –

F. Covey –

S. Vaillancourt –

E. McGlynn – Ed would like to make all aware that there was discussion in the news about a potential move of an individual with a violent past to the Second Springs facility in Williamstown. Jackie and other Select Board members specifically recall representatives from Second Springs that they do not or would not house violent individuals or those with sexual offenders at the facility in Williamstown. The Board does not support these types of residents at the facility and believe the business is not keeping to their agreement when the plan was initially presented to the town for Second Springs to open in town.

Executive Session if Needed – 1 V.S.A. § 313 -
