Budget Status Report: Presented – no changes.

New Business:

John P. Read the Thank You card from Kevin and Sandra. Noted that Kevin had left the cemetery keys in the office. (In Susan's desk, top drawer.)

Susan L. Norman Rouleau stone design to approve. Motion to accept, 2nd by Matt C., all approved.

John P. The family would like to have Dennis Beaudin set the Rouleau stone, hopefully this Friday or Saturday. I'll call and talk to Dennis and Chuck Houle also.

Susan L. Has any stone been delivered to hold the bank in the Village – where Kevin noted that it was needed?

Noted that Scott MacAskill had apparently dropped one load.

John P. Joe Mangan said it would be nice to pin the new rows of lots and he knows someone that does this and she has the necessary equipment.
I would also like to suggest the possibility of selling 5x10 cremation lots only – in all the cemeteries. Something to think about.
