

WILLIAMSTOWN PLANNING COMMISSION

DATE: APRIL 10, 2019

TOWN HALL - 7:00 P.M.

DRAFT
COPY

CALL MEETING TO ORDER – 6:30 PM

Attendance; Jasmin Couillard, Rich Turner, Horace Duke, Matt Rouleau

Guest; From CVRPC Johnathan Delabruere, Bonnie Waninger

AGENDA:

MINUTES OF: Feb. 13, 2019 and March 13, 2019,

Rich made the motion to amend the March 13th minutes, change the date to meeting 4 to May 8th and meeting 5 to June 10th, motion seconded and approved by all

Johnathan handed out draft copies of the Hazard Mitigation plan for the commission to review. We reviewed the distribution list and the mitigation action table. We discussed the Rouleau dam on rt 64, we will add that property owner to the plan distribution list, we also added the orange county sheriff's office, and the Williamstown select board chair to the list. We identified the emerald ash borer and Chervil as some of our invasive species.

Johnathan requested some photo of past floods, the commission review some photos and selected a few to pass on. Johnathan plans on finalizing the draft by April 29th for our review, he would like comments by May 3rd to have a draft ready for our review at the May 8th PC meeting. After the PC approval the plan will put out for public comment for 30 days.

Bonnie discussed a Transportation Resiliency Planning tool and passed out a handout. The town Manager signed a letter of support for the Stevens branch water shed.

MAIL: We reviewed the mail, not action taken.

We reviewed the proposed map for the HMP.

Remove the town owned forest on Falls bridge rd., Not town owned

Add the locations of the commercial solar sites to the map

Add the area of the capped land fill at the south end of town.

Add the water service area, drilled wells prohibited.
