

Williamstown Beautification Guild

The Williamstown Beautification Guild would like to thank the town for the appropriation of \$1,500 at Town Meeting Day. With the assistance of our dedicated volunteers, downtown Williamstown became a more pleasant and congenial atmosphere for all to enjoy throughout the year. Summer is the big time to "shine" with the beautiful flower barrels and bridge displays. Other decorative items will also be displayed throughout the year when the planters go into hibernation. We hope you enjoy them.

Do you have any suggestions, donations, or time to assist? Waterers in the summer are especially needed to help keep the flowers alive! Please reach out to me at 433-1556.

Speaking of waterers, a HUGE thank you goes out to those that volunteered this year: Annie Alexander-Kramer, Artie Kramer, The Thygesen family, Carol Corneille, John Taylor, The Beatties, Rama Schneider, The Poeton's, Lisa White, Brigitte Lackey, Nat and Sammi, and John Perkins.

Thank you for caring about the beauty of Williamstown.

Laura Thygesen
