Site Visit to Winchester Hill Road
5:30 p.m.**

Present: Matt Rouleau, Francis Covey, Chris Wade, Becky Watson, Brad Greenough, Greg Donahue and Jackie Higgins

Walk from end of Class 3 section at Greg Donahue's residence down Class 4 section toward Lotus Lake Camp. Inspected washouts and discussed what could be done. Decision to take out culvert and install water bar for water run off on lower class 4 section. Also will bring in fill to repair upper section washout. Will speak to a local contractor in regards to doing this work on lower section. Brad Greenough, State Lands Forester will have the logger contact Jackie to work out fixing the upper Class 4 section heading towards Ainsworth State Forest. At this section we will slope to the left side to keep water from running down the lower section towards Lotus Lake. Greg Donahue will request funding from the Class \$ Road Fund to help with cost of repairing road. Jackie will also put the culvert in front of Greg Donahue's on the repair list for next summer.

Fran made motion to adjourn at 6:30. Chris second. So moved.
