New Business:

- Rich T. Gave updates from CVRPC. Mentioned that some towns were having problems getting Listers and were considering sharing the positions between towns. West Central VT Strategic Economic Development – looking for input on economic development on the planning side. (?)
The Clean Water Advisory Committee will not doing anything for a few months.
- Horace D. I have complained to the State Transportation Dept. about the bottom of Rte 64 by the Library and they did do some filling in. Hasn't completely solved the problem. The Williamstown side still needs work done from the State AOT.
- Rich T. CVRPC – Bonnie left her position and is now working for the C. Vt League of Cities & Towns. They are still looking to fill her position. Claire Rock will most likely be working with us on up-dating our Town Plan. Will plan on talking about this at our next meeting. EAB (Emerald Ash Borer) did get a positive ID for Williamstown. The State just up-dated the map.
- Susan L. Can we get a copy of the up-dates?
- Rich T. I will send you the link for this.
- Susan L. Talked about the sidewalk situation - - discussion followed.
- Horace D. We should talk to AOT to see about available Grants. The Agency of Commerce & Development too.
- Susan L. Rich I just want to remind that Jackie needs the Report for the Town Book soon.
- Rich T. I have this on my computer.
Regarding the sidewalks – I can reach out to Bonnie on this.
- Horace D. I think that it would be a good idea to decrease the speed limit in town to 30 MPH. Also, think that there should be an “No Outlet” sign on Beckett St. People are still coming out that way.
