

WILLIAMSTOWN PLANNING COMMISSION MEETING

MEETING HELD ON: February 8, 2023
Minutes - - (DRAFT COPY)

PRESENT: Rich Turner, CH, Susan Lyons, David Traczyk, Horace Duke, Jasmin Couillard

The Meeting was called to order at 7:00 p.m. at the Town Office.

Motion made to accept the Minutes from December 14, 2022 with a correction, as written, made by Jasmin C. and 2nd by Dave T.

New Business:

Rich T. Gave updates from CVRPC. Brian Voight (sp?) is on the Clean Water Planning Committee and is trying to get more participants.
Talked about the Winooski Tactical Basin Plan – there are (3) Commissioners who are voting members and I am one of them.
CVRPC has still not hired someone yet.

Rich T. Clare Rock will be at our March 8th meeting to get us started on up-dating our Town Plan. We can all start looking at the 2016 Plan to see what up-dates will need to be looked at and any questions to ask Clare.

Dave T. Any updates or permits for the low cost housing that Larry Hebert is planning?

Jasmin C. He is still working on the permits. The Fish & Game Wildlife habitat is concerned about the “deer yard”.

Rich T. More discussion on different projects coming up.
Spring/summer time frame on Storm Water
Safe Routes to Schools - Sidewalks
Downtown area sidewalks
VT Cities & Towns – they might have funding available.

Rich T. Asked Dave for a follow up on the culverts.

Discussion followed on the Menard Crossing and South Hill culverts.

Dave mentioned that Ben & Janice Covey asked to be involved in any future concerns since the culverts are on their property. Call to make an appointment.

Jasmin and Dave both noted that it might be a good idea to re-look at these two culverts, maybe in the spring, when there is more water flowing. It was a dry summer last year. Charlotte Mills has the property on South Hill where there is a culvert in question also.

Rich mentioned that he wanted to talk with Michelle again.
