

WILLIAMSTOWN SELECTBOARD EMERGENCY MEETING

JULY 10, 2023 – 8:15 P.M. – TOWN OFFICE BUILDING

Present: Larry Hebert, David Wilder, Chris Wade, Courtney Wade, Jackie Higgins

On telephone – Chris Peloquin, Scott McCarthy, and Clayton Woodworth

Meeting called to order 8:22 pm.

Town Manager, Road Foreman and Selectboard to meet at 4:45 a.m. to do an inspection of town roads for damage. Take photos and measure flooded areas.

Discussion of emergency work to open roads to all residents. The Town Manager made it very clear that FEMA would only allow temporary repairs at this time. As soon as a site visit is scheduled to assess damage then the final repairs and bid process, if necessary, would begin. Selectboard approved hiring contractors and additional help to get all the roads opened back up and accessible to vehicles and emergency vehicles.

Priority Roads for repairs:

Gilbert Road, Chelsea Road, Ferno, Coldsprings, Flint, Getz, McGlynn Road, Pirie, Graniteville, Grandview.

May schedule another emergency meeting July 11, 2023, if needed.

Meeting adjourned 8:55.

Respectfully submitted,

Jackie Higgins
